

# Our Policies

A one-day's advance deposit or credit card authorization for one day's rent is required for confirmation of reservation. Cancellations must be received two weeks prior to arrival date for refund of deposit or credit to your credit card. There will be no refund without notice of 14 days or more. There is a \$20.00 cancellation charge for all cancellations.

Prices subject to change without notice.  
Holiday and weekend rates may be higher.

CHECK-IN	CHECK-OUT
2:00pm	10:00am

1. Rooms are paid for in advance
2. Personal Checks - the use of personal checks is restricted to the initial deposit only. Upon arrival, the balance of the guest's stay may be paid by cash, traveler's checks or credit cards. All credit cards accepted.
3. NO REFUNDS
4. PLEASE, NO PETS
5. Guest's Making Reservations - We would hope no one would be unhappy with their advanced reservation after arriving. If this does happen and you do not honor your reservation, you will be charged for one night. Please do not make reservations if you are unsure of the property or the dates. When a reservation is not honored, it costs you a one night deposit and costs the motel the opportunity to rent that room to another advanced reservation.
6. Guests will be financially responsible for damage to their room during their stay.
7. The motel cannot be responsible for personal property loss or damage. Keep doors locked and valuables in a safe place.
8. Beverages of all types must be kept in plastic glasses, paper cups or cans on the patio and around the pool.
